

Hypnotherapy Professional Practitioner Course

*Royal Berkshire College of Clinical Hypnosis
Reading, Berkshire
01189 888 839
Principal: Kevin Still*

Berkshire's premier hypnotherapy college offers you the opportunity to train for a career in hypnosis and hypnotherapy.

Royal Berkshire College of Clinical Hypnosis, a professional and lively training establishment and is accredited by the following major bodies:

The Association for Professional Hypnosis and Psychotherapy (APHP)

National Register of Psychotherapists & Counsellors (NRPC)

The National Register of Advanced Hypnotherapists (NRAH)

When you complete our Professional Practitioner course, you are automatically eligible for membership of these professional associations.

Hypnotherapy is a rewarding career, helping others to achieve their full potential in life, free from the conditions that have held them back. It is also a flexible career, there are no age limits, you can work full time or part time, whichever hours suit your lifestyle. So you may fit your hypnotherapy career around other commitments.

The Principal of the Royal Berkshire College of Clinical Hypnosis Kevin Still and Senior Lecturer, Keith Pearce, have extensive experience in successful full time private practice as Hypnotherapists. Prior to this Kevin worked in the corporate world as a Sales & Marketing Director.

Both trained at the Essex Institute of Clinical Hypnosis with Terence Watts, one of the UK's most highly qualified and skilled hypno-psychotherapists.

COURSE INFORMATION - *The Professional Practitioner Hypnotherapy Course*

This is the perfect course to study if you want to go into practice, either full time or part time, as an effective professional clinical hypnotherapist. The training programme has been designed to give you a thorough and sound knowledge of the application of ethical clinical hypnosis and hypnotherapy, even if you have no previous experience in the field.

The one-year course is of approximately 400 hours duration, including more than 150 hours of classroom study, and leads to a full Diploma qualification (DHP) with the opportunity to join the following leading Hypnotherapy Organisations:

- The Association for Professional Hypnosis and Psychotherapy**
- The National Register of Psychotherapists & Counsellors (NRPC)**
- The National Register of Advanced Hypnotherapists (NRAH)**

On this hypnosis course, you will learn all the skills you need to be able to put people safely and effectively into hypnosis. Moreover, you will receive a good grounding in therapeutic techniques to help people overcome the conditions they present with.

But it's not just about gaining professional qualifications in hypnosis and hypnotherapy and psychotherapy; our tuition includes business advice from setting up your practice, advertising and marketing, to accounts and finance.

The following subjects - and far more - are all covered in detail:

- Definition of hypnosis, what it can and cannot do
- How to build a successful hypnotherapy practice
- Differences between the stage hypnotist and the hypnotherapist
- How to hypnotise almost anybody - including yourself
- Choosing the best way to hypnotise someone
- How to recognise when somebody IS hypnotised
- How to effect safe release from the hypnotic state
- Direct and indirect therapeutic intervention
- How to get to the 'roots' of problems
- Working with pain and physical illness
- Working with fear/phobias
- Helping people to stop smoking
- Dealing with stress, anxiety and depression
- Successful client management
- A method for understanding the different personality types
- EFT (Emotional Freedom Therapy)
- NLP (Neuro Linguistic Programming)
- Past Life Regression
- A whole day on Weight Management

To sum up – showing you how to help with any social, emotional or psychological conditions

The course includes the 'Easy Stop Smoking Programme'. This programme is one of the most effective available.

When you pass the final examination, you will receive:

- The 'How to Build a Successful Practice' manual, containing full details of how to be the most successful therapist you can be.
- A CD of copyright-free music for you to use as background music in the consulting room or on any CD's you make for clients or for sale, without breaching the copyright laws.
- A Graduation Pack CD which includes the entire course, so that you can easily run a search on your PC to find information easily and quickly!

and of course...

- A framed and personalised diploma for your consulting room wall.

When you enrol as a student, you will receive:

- Over a 100,000 word, professionally written and prepared course at the rate of one module per month
- A comprehensive required reading list (books included in course fee)
- Over 150 hours of Classroom Study
- Free email & telephone support

What will I be able to do?

In the Classroom

Ten consecutive, monthly, intensive two-day weekend classes providing a total of 150 hours of tuition, coupled with a few more hours per week of home study. A required reading list is provided along with the written course at a rate of one module per month. There will be a requirement for two assessment essays to be completed, along with monthly assignments of case studies and a half-way interim test during the course period to further assess your progress.

Lifetime Support

The 10 month hypnosis instruction course is comprehensive enough for you to be able to successfully and competently go with your new hypnotherapy career into private practice as soon as you are qualified, safe in the knowledge that you have the lifetime support of the principal and staff of the Royal Berkshire College of Clinical Hypnosis. At any time you need professional help or advice, we are here to answer your queries. And that support is **completely free** (some schools and colleges charge their usual session fee per hour or part hour for this service)

Fees

Course fees may be paid by cash, cheque or credit card.

The total cost of the course is **£2950.00**. If you wish, you can pay via ten monthly instalments of **£295.00**. A **£200 discount** applies when the course fee is paid in full in advance.

All required books and lunch are included in the fee for the course; there is nothing else to pay.

Exam passes and qualifications

Students who successfully pass the exams and assessments will receive a Diploma in Hypnotherapy, and therefore can use the letters **DHP** in relation to all professional endeavours.

and will also be eligible for:

- **LAPHP (Licentiate of the Association for Professional Hypnosis and Psychotherapy)**
- **LNRPC (Licentiate National Register of Psychotherapists & Counsellors)**

In the event that you should fail the final exam, you will be able to retake it after a suitable period of further study at home.

MEET THE TEAM

Kevin Still
College Principal

Kevin is a gifted Hypnotherapist, Psychotherapist and NLP practitioner, with his own successful practice in Reading. His background as a Sales and Marketing Director with first class presentation skills makes him the ideal course presenter at the Royal Berkshire College of Clinical Hypnosis, bringing his own unique blend of knowledge and humour to the classroom. He has a great interest in sport, being a fully qualified trampoline and squash coach and an ex-international sportsman.

Kevin was the Director of Ethics for the National Council for Hypnotherapy 2005-2008, the UK's largest hypnotherapy body. In 2013 Kevin was awarded the title of Fellow of The Association for Professional Hypnosis and Psychotherapy (FAPHP), an honour bestowed on a select few in recognition of their skills and contribution to the field of Hypnotherapy and Psychotherapy. Currently only 14 therapists have received this title worldwide. In addition to his private practice, Kevin was also a Family Support Therapist employed by Surrey Heath Borough Council.

Charlotte Hartley
Lecturer

Charlotte is a qualified Hypnotherapist, Hypnoanalyst and a practitioner in NLP and EFT, having trained at The Royal Berkshire College of Clinical Hypnosis. She has two highly successful private practices, working with all ages on a wide variety of issues.

Charlotte originally trained as a teacher and has taught in secondary schools for over 20 years. During that time she has been a Head of Year and worked with a variety of external agencies to support young people and their needs.

She has used her experience as a therapist as well as a teacher to deliver workshops in a number of schools to deal with exam anxiety, anger issues and mental health awareness.

Combining her excellent communication skills as a teacher with her passion for hypnotherapy, Charlotte is an inspiring lecturer for The Royal Berkshire College of Clinical Hypnosis.

Amanda Brundrett
Teaching Assistant

Amanda qualified from The Royal Berkshire College many years ago as a Hypnotherapist, Hypnoanalyst and a practitioner in NLP and EFT and also has a degree in Psychology. Amanda has 3 thriving practices in Princes Risborough, High Wycombe & Reading and assists Charlotte and Kevin on the course
